

MARCH MADNESS SYLLABUS CHALLENGE

Bracket Challenge

INTRODUCING THE ROAD TO THE FINAL FOUR

Through videos, trivia, and interactive lessons, students will learn about the NCAA March Madness tournament.

1

ALL ABOUT THE BRACKET

Students will learn how to build a March Madness bracket and an inside look at Cinderella Stories and other aspects to the tournament that are beneficial in real life.

2

WINNING AND LOSING LIKE A PRO

Students explore best practices in winning and losing. What does it really mean to be a “good sport” and how it helps in school, life and careers...

3

ABOUT THE BRACKET: WINNING PERCENTAGES

Students learn to apply math skills like probabilities, statistics, and percentages to predict outcomes and strategize your NCAA March Madness bracket selections effectively.

4

CHALLENGE SUBMISSION

Classes will submit their bracket before the first game on Tuesday, March 18, 2025. Sit back and watch how your math skills play out with your bracket.

5

CHALLENGE CELEBRATION

Join the virtual celebration on Monday, March 31, 2025 and find out who the challenge winners are!

Best Bracket Challenge Submission wins a trophy, \$100 Pizza Hut Lunch & Party Kit and bragging rights!
